

*Systems and Solutions for Polymer Processing*

May 27, 2011

**Subject: NPE 2012 April 1 – 5, 2012 · Orange County Convention Center · Orlando, Florida USA · NFM booth 5844**

Dear Valued Customer:

NFM highly appreciates your business and our relationship. NFM has experienced one of our best years ever with next year even better! It is due to your confidence in NFM as a supplier and our commitment to best quality and high value technologies, processes, systems and components at great prices.

As part of our commitment to you and our mutual benefit, NFM is offering a special NPE 2012 equipment display discount. \*NFM will offer a 10% discount on any TEM (Twin Screw), WE (Twin Screw) or HSXII (Single Screw) extruder to the first five machines purchased by any customer if you:

- purchase an extruder between June 1, 2011 and September 2, 2011
- and can take delivery after April 16, 2012
- and allow NFM to display at NPE along with your company name.

If you can't take advantage of the NPE discount please consider NFM solutions for your polymer processing needs and take advantage of our great prices. Make sure you take time to visit us at NPE 2012 Booth 5844 to see what's new with NFM and celebrate the start of our 40<sup>th</sup> year in business.

\* Discount does not apply to motor and drive price, extruders over 6" (150mm) or auxiliary equipment. NFM cannot guarantee extruder will be displayed due to space considerations however discount will still apply.

Best regards,

*Paul Roberson*
